Maxwalton Averno 86595 (Twin)—One of the most valuable matrons ever on the Pleasant Valley Stock Farm. This is the cow that brought 4 calves in one year, and 8 days before the first pair of twins were a year old she brought the second pair. The bulls from these, one of them is at the head of Mr. Dunlap's herd and the other at the head of Mr. Fear's herd at Tulsa. Her next year calf, a white bull, 2d Fair Acres Sultan, I am keeping in my herd and to show. (A full brother to Max Acres Sultan).

Max Acres Sultan—A full brother to 2nd Fair Acres Sultan. This is the bull I bred and sold to Clint Strong and bought back. Everybody in the Southwest knows Clint Strong. Where can you find a herd bull with better ancestors on both sides and a better individual than he is? It is hard for me to say. I consider this the big chance of a lifetime to buy what I believe will make a real herd bull. We ask the privilege of retaining a half interest in this bull.

C. R. Strong, Clinton, Okla. \$13,200

First prize calf herd, International Live Stock Exposition, Chicago, 1917. Bred, owned and exhibited by H. C. Lookabaugh, Watonga, Oklahoma. The get of Fair Acres Sultan 354154, (the twin brother to Snowbird's Sultan.)

INTRODUCTION

On May 16, 1918, I will hold my tenth, and I hope my best annual sale of breeding females and six bulls. This offering will afford a great opportunity to those who know the value of good breeding and desire to procure some of it. In a number of instances you have the opportunity to buy the combination of blood that has been at the top for the past decade. I was always impressed that the best blood was by far the cheapest—I know you feel the same about it. I don't feel smart in making this sale, only that I am giving you another opportunity to procure some of the best I have on the farm—I am not saying that is very good—but you be the judge as to that. Clint Strong seems to be very well pleased with the high priced animals he bought last May. Inquire about him; he lives at Clinton.

I am selling 3 sons and 3 daughters of Fair Acres Sultan; 2 Imported bulls, and 4 Imported females; 2 daughters of Avondale with Fair Acres Sultan calves by their side, and rebred to Snowbird's Sultan; 1 daughter of Shenstone Albino, Grand Champion of England and America, in calf to Snowbird's Sultan. She is out of Maxwalton Jealousy by Avondale and is the mother of Pleasant Dale Sultan at the head of Noffsinger's herd which the owner has refused \$5,000 for. Maxwalton Jealousy is the mother of a number of First Prize, Champion and Grand Champion winners, including Dale's Jealousy, Grand Champion female of the State Fair of Utah and Texas in 1915; the show heifer, Pleasant Clipper, half-sister and stall-mate to the undefeated Champion Pleasant Acres Belle. She will show as a Senior yearling next year; Imported Gowan Cardion, the best cow in my last two importations, said by a number to be the best cow in the Southwest; Bonnie Belle 10th, the cow that cost \$1,500, grand-daughter of Whitehall Sultan and grand-daughter of Imported Bonnie Belle. She is the mother of our Senior heifer show calf. Lavender Beauty 7th is mother of our Senior bull show calf, Pleasant Acres Sultan. Lady Meringo 2nd, daughter of King Champion, out of Imp. Lady Meringo. She is the dam of Whitebird Sultan selling in this sale and also Sultan's Choice, the \$3,500 bull; Secret Lady, the white daughter of Monarque Cumberland, a bull of the Whitehall Sultan Cumberland blood, with a white Watonga Searchlight heifer calf at foot that is a real show calf. The females in this sale represent the following families:

Jealousy	Clara	Mysie	Graceful	Mayflower
Marsh Violet	Victoria	Secret	Miss Ramsden	Luster
Rosewood	Lavender	Violet Bud	Orange Blossom	Campbell Bloom
Roan Lady	Clipper	Flora	Butterfly	Clementina

Ten or twelve of these cows will have calves by sale day and most of the rest are forward in calf, but three open ones.

The bulls include 2 sons of Fair Acres Sultan; Whitebird Sultan, the son of Snowbird's Sultan; Imported Doune Royalist, of the Rosewood family that I think will prove a great sire; Master of Orange is a grand-son of Victor Orange; Imported Grafeul's Lord, and Secret Clarion of the late Harding sale. Don't fail to see these. I know they will please you.

H. C. LOOKABAUGH.

SNOWBIRDS SULTAN 354160—FAIR ACRES SULTAN 354154

TWIN BULLS

TWIN bulls have been potent factors in notable Shorthorn breeding, notable instances of which were Village Beau, sire of Imp. Villager, and the noted bull Radium. But the use of twin sires in the same herd remained for H. C. Lookabaugh to show the world, a masterful stroke, unique, unparalleled and never before attempted by a breeder. Fair Acres Sultan and Snowbird's Sultan exemplify that principle in the law of breeding that prepotency is inherent and is decedent from sire to son. Whitehall Sultan sired many great bulls, but no other sire got a pair of sons that are comparable to Fair Acres Sultan and Snowbird's Sultan, the twin bulls out of Snowbird, the daughter of Nonpareil Stamp and Imported Pitlivie. The death of Fair Acres Sultan, at Pleasant Valley Stock Farm, was accepted as a distinct loss to the Shorthorn breed, though, fortunately, not an irreparable loss for, with the initiative characteristic of the man, H. C. Lookabaugh, decided on Snowbird's Sultan as the proper and the logical selection to install and fill the vacancy and lead the herd. Fair Acres Sultan was a massive bull, combining scale, depth, thickness and substance and masculine character. Snowbird's Sultan possesses like scale, depth, thickness and substance and masculine character with evenness and quality equal and, in some points, superior to his illustrious twin brother. With the discernment of a genius and the judgment of a master breeder, herd bulls have been picked for service at Pleasant Valley Stock Farm. There is Avondale's Choice, the thick, massive son of the great Avondale; and there is Watonga Searchlight of captivating type; and here, in reserve, are two of the most promising sons of Fair Acres Sultan, namely, Second Fair Acres Sultan, the facsimile of his celebrated grand sire, Whitehall Sultan, and Fair Acres Sultan, Jr., a calf of rare individuality; and here, too, is Pleasant Dale 4th, the son of Avondale's Choice. It is beyond the province of this sketch to enter details on the breeding herd of Pleasant Valley Stock Farm, the largest registered herd in number, perhaps, in the country, nor to dwell on the extensive trade in Shorthorns and distribution of cattle from this great breeding establishment. The mingling and concentration of the blood of tried and proven sires has been a policy of the world's successful breeders. May we not rightly conclude that in the light of a new story on advanced farming and improved stock breeding in the West and Southwest, in the chapter on constructive cattle breeding will appear a page on which will be written indelibly the name of the master of Pleasant Valley Stock Farm, H. C. Lookabaugh, at Watonga, Oklahoma, the successful breeder whose distinguished service to Shorthorn history includes the use of the great white twin bulls, Fair Acres Sultan and Snowbird's Sultan.

Fair Acres Sultan 354154—White; sired by Whitehall Sultan, the greatest Shorthorn bull ever used in America; dam, Snow Bird, a great show heifer that won 1st as junior yearling, junior champion and grand champion at the 1908 American Royal. Snow Bird is a full sister of Snow Flake, the sire of Ringmaster, a bull that has won more championships than any bull ever shown in the United States. Fair Acres Sultan was 1st prize aged bull and senior champion at Illinois State Fair, 1913. He sired the 1st prize calf herd—junior and grand champion females at the same show. At the International, 1913, his get won 1st on senior heifer calf, by the same bull. At the International, 1917, his get won 1st senior cow calf, 1st junior bull calf, 1st prize calf herd, 1st futurity heifer and champion futurity heifer. No such showing was ever made before with 3 calves sired by the same bull. On the 1917 state fair circuit his get were undefeated in classes, herds and groups, winning most of the championships.

Snowbird's Sultan, twin brother to Fair Acres Sultan, said by George Martin of the Breeders' Gazette to be one of the best breeding bulls of the breed. A. J. Kilgore of Sterling, Ill., sold one of his sons at the Congress for \$1,600. He also says that Snowbird's Sultan is a better breeder than his brother. I have a senior heifer by him that will be hard to beat this fall, as well as a junior calf. I am not afraid after seeing his calves to use him with the expectations of siring as good, if not better than I have ever produced on the Pleasant Valley Stock Farm.

Watonga Searchlight is a bull that hardly needs any recommendation to the breeders of the Southwest. He is just the same type as his sire, and his dam is one of the best producing cows on our farm. She being out of Lancaster Bud, the Grand Champion female at the World's Fair at Seattle, Washington. He is an exceptionally good sire. The young bull, Pleasant Dale 3d, that sold for \$1,250.00, is by him. A number of his get will be in evidence on sale day and you can see for yourself how he transmits that wonderful quality which so distinguishes his family, but when you study his pedigree you can hardly expect anything else, as all of his sires, on his sire's side, have been persistent winners in the show ring. He was grand champion at Hutchinson, Kansas, and the Oklahoma State Fair in 1914, of the Texas State Fair at Dallas, in 1915, and of the Colorado State Fair at Pueblo, 1916.

Avondale Choice is a thick, massive roan with beautiful head and wonderful depth. He is, perhaps, the thickest bull Avondale ever sired. He is of the stamp that can be looked for to make a great sire and his color and general appearance cannot be beat. This family has produced many noted winners, including the English and American grand champion, Choice Goods. Avondale's Choice has proved one of the greatest sires we ever owned. His get is marked with that deep, broad, thick-fleshed, and with the smoothness that always attracts the attention of a good judge. We have some young bulls which are causing a great sensation. A notable example being our show and herd bull Pleasant Dale 4th 491505.

Imp. Doune Royalist—Here is a prospect for a great herd bull and were it not for the fact that I have seven herd bulls, five of which are of my own breeding, I would not dispose of this bull. He hit one of the boys with his horn the other day, too, and that made me sore at him. The fellow thought it was just because he was playful. I honestly believe he will make someone a great sire. We have calves by him that look very promising to me. He has the three characteristics of a real bull. This bull was a successful winner in Perth, Scotland, where they had very strong classes.

Pleasant Violet Bud 616887 bred to 2nd Fair Acres Sultan 581624 November 30, 1917.

Pleasant Violet Bud, daughter of Watonga Searchlight and Violet Bud, mother of Lord's Violet, undefeated in class in 1914. She is a real show heifer and coming from one of the best producing cows on our farm and I think one of the best producing bulls. She was bred November 30th to 2nd Fair Acres Sultan. Tell me how this heifer could keep from bringing a show calf. Her sire was Grand Champion of Kansas, Colorado, Utah, Texas, Louisiana, Arkansas and Oklahoma. She is out of a cow that never produced anything but the very best. I have a senior calf that will show this year out of the same cow and she is bred to 2nd Fair Acres Sultan, which Walter Miller of the Breeders Gazette says is a better bull than his sire, Fair Acres Sultan.

Fair Mildred 628300 bred to Missie's Ardmore on November 1, 1917.

Fair Mildred, by Fair Acres Sultan and out of the Campbell Mildred family. This white daughter of Fair Acres Sultan is improving faster every day. She will be one of the top cows in the state in two years. The daughters of Fair Acres Sultan will be one more in demand every day and in three years I believe will be classed among the best breeding cows in the Southwest. They seem to put a class to their calves that is hard to find, together with that thickness of flesh and covering that is so much in demand. She is bred to Missie's Ardmore, November 1, 1917, a red son of Ardmore's Choice. This bull is producing great calves and I believe this mating will produce a roan that will win in any show ring.

Maxwalton Jealousy—I couldn't say enough about this cow. This is one of THE cows on the Pleasant Valley Stock Farm that has made it what it is. All of her sons are at the head of some good Shorthorn herd in the Southwest and have all won the best honors wherever shown. Her daughters have been First Prize, Champion and Grand Champion winners. She is not in high flesh for she produces a calf every eleven months. She has every year since she was a three-year-old. She has a calf at foot now by Fair Acres Sultan that will make someone a great herd bull and she is in calf to Snowbird's Sultan. If you can find a more valuable cow to buy than this one I don't know where you would go. Her calf will probably be worth twice or three times what she brings in a year from now.

Maxwalton Jealousy 62873 has roan bull calf at foot, born October 9, 1917, sired by Fair Acres Sultan 354154. She was re-bred to Snowbird's Sultan 354160 April 1, 1918.

Roan Victoria 2d—This is a great cow. All of her off-spring go to the show ring and win. Her mother, Archer's Victoria, produces the same kind of cattle. She has a cow calf at foot, a roan, by Fair Acres Sultan. She is a better proposition to buy than the one cow that I know of which sold for \$4 800—you be the judge as to that. Buy her as cheap as you can, but don't let her get away from you. She is re-bred to Snowbird's Sultan.

Roan Victoria 2d 107391 has roan cow calf at foot, born January 14, 1918, sired by Fair Acres Sultan 354154. Re-bred to Snowbird's Sultan 354160.
